Trinity Lutheran
Church & School
2019

Dear Friends of Trinity Lutheran School,

Welcome to this, the 27th Anniversary of our Celebrate Children Spring Auction.

Twenty-Seven Years! Wow that stuns me. Twenty-seven years ago I didn't even know about the amazing people and ministry of Trinity Lutheran Church and her School. Yet here I sit with a family of four boys—one who has graduated from TLS, one who is about to (hopefully☺), and two still being blessed. I believe that's what astounds me—27 years ago the people of Trinity had the forethought, dedication, and passion to create an event that would feed and grow the lives of children that they had not yet even met, children not even yet born—my children—your children.

Ephesians 4 tells us that we are the body of Christ. We each have a role and we are made to be joined together, working together to build the body up in love. Tonight is a perfect example of this. Tonight we are here building up the body of Christ, working together to support children that we know and to prepare for those we have not even met yet. Who will be the next to know the love and salvation of Jesus through this ministry?

Our previous auctions have allowed us to acquire unique tools for this very purpose. We have used auction funds to purchase 250+ Chromebooks, wireless access points, electronic security doors, 400 folding chairs, new pianos, security cameras, AED's, notification devices, classroom walkie-talkies, musical instruments, science and art equipment, library books, playground equipment, risers, copier and printers, microphones, permanent bleachers, classroom cabinets and storage, network servers and switches, classroom and lab computer stations, lunch tables, developed baseball and soccer fields, laptop cart, wireless network, outfitted our classrooms with interactive boards and new desks, remodeled our multipurpose room with a new sound system, automatic projection screen, a powerful projector, and refreshed and remodeled bathrooms fixtures. God's people have done these things and have reached out in love to take care of God's children and help Trinity Lutheran School fulfill her purpose of developing well-rounded, lifetime Christian disciples who learn that in an ever changing world—our God's sacrificial love is unchanging.

Yet this charge continues and we continue to NEED your help to do this. We are planning to use tonight's funds to begin a process of replacing our outdated classroom projectors/boards with powerful interactive flat panels. These interactive panels will bring a set of tools to our classroom that blows me away. Not only will younger students be able to interact with lessons by touch, but these boards will also pair with our Chromebooks and allow students to directly interact with the classroom display. These will be powerful education tools. Likewise, as part of our special "Fund-a-Need," we wish to respond to our community's need and grow our scholarship fund for families that are in the midst of some unique needs. Last year, 41 students were able to attend Trinity as a result of our Tuition Assistance program.

God bless the many volunteers and donors that helped bring together this wonderful event! Thank you for all of your special help! Nothing is impossible with our God!

Peace,

A handwritten signature in black ink, appearing to read 'Steve M. Hoffmann'. The signature is fluid and cursive, with a long horizontal stroke at the end.

He makes the whole body fit together perfectly. As each part does its own special work, it helps the other parts grow, so that the whole body is healthy and growing and full of love. Ephesians 4:16
